Introducing Boho Collection from Ulster Carpets.....

Recently launched Boho Collection from Ulster Carpets is the epitome of style. The vintage inspired designs are an ode to all things retro, reworked to create contemporary, practical axminster for the 21st century home.

Each of the six designs offer their own quirky personality, brought together by the soft pastel shades of the “heritage” colour palette to create a unique and stunning collection.

Choose between the playful leaf pattern of “Rhapsody”, the statement zigzag of “Tribe” or the sophisticated houndstooth of “Chic”. The distinctive chevrons of “Hemingway” add character to any stairway, while “Bloomsbury” brings a little bit of the outdoors in with its beautiful seedhead design.

The contemporary plaid design of Hamilton offers a fresh take on the classic pattern, incorporating the stunning pastel shades of “Tea Rose”, “Summer Breeze” and “Apple Blossom” alongside the neutral tones of “Moon Shimmer” and “Honesty”. The result is a unique and eye catching floor covering, which is sure to make a style statement in any home.

Made from hardwearing 80% wool / 20% nylon mix, Boho Collection has been manufactured to last as long as the iconic designs which inspired it. As you would expect from an Ulster carpet, this combination ensures a luxurious feel which is suitable for heavy domestic wear.

All colourways are available in 4m, 3m, 2m and 1m colour-matching widths enabling a reduction in waste and cost by using Ulster’s multi-width offering. Boho Collection is designed to co-ordinate with Heritage Twist plains, enabling the customer to create a seamless interior scheme.
